Dear Ms. Potter:

This is a follow-up to your Freedom of Information Act request of June 4, 1990. You requested copies of biological opinions concerning the Sonoran pronghorn. The Ecological Services Field Office in Phoenix, Arizona, sent a response to you previously.

Pursuant to a telephone conversation between you and Sonja Jahrsdoerfer, Division of Endangered Species, I am sending a copy of the Biological Opinion for the Lower Gila South Resource Management Plan - Goldwater Amendment.

Any fees associated with processing your request have been waived.

Sincerely,

/s/ R. D. Earnest

Acting Regional Director
