SUBJECT CONVERSATION: Pronghorn sightings in Altar Valley

Steve said that Ken Stern, AGFD, reports these sightings of antelope left from the 1945 transplant of A. a. americana:

1984 - one old buck near Arivaca

10/29/85 - single adult (younger animal?) saw from distance

1/11/86 - single adult - from a distance

1987 - Didn't see any when they flew over surveying
